Dear Performance Pro Supply:

Mountain Fiber Insulation, Inc., has always tried to provide the best possible value for our customers, which includes trying to keep our prices as low as we can for as long as we can manage to do so. We continue to do everything we can to meet the growing needs of our customers while trying to keep their cost as low as possible.

Mountain Fiber Insulation, Inc., has had increases in raw material costs and shipping, as well, I'm sure your aware of the rising costs of insurance. At this time, we have to pass this price increase on to our customers. Affected items include:

Cellulose 25 # Low Dust Attic per bag
Cellulose 30 # Wall Spray

As always, Mountain Fiber Insulation, Inc. remains committed to providing the same efficiency, quality, and customer service that we have in the past. Your business is appreciated very much, and we look forward to continuing to supply you with cellulose insulation.

Sincerely,

Kim Allsop
