RE: Kingspan Insulation USA - PRICE INCREASE

Dear Valued Kingspan Customer,

Due to continued and significant increases in our raw material cost across our supply chains, as well as the ongoing conflict in the Middle East materially impacting our operating costs, Kingspan is announcing a price increase on the following categories:

Product Name	Increase
Kingspan GreenGuard® LG XPS Insulation Board	7%
Kingspan GreenGuard® Fanfold / Underlayment	4%
Kingspan Building Wrap/ Moisture Barrier	8%
Kingspan Tapes & Flashings	8%

The above price increases will apply to all orders placed on or after May 25, 2026. Existing orders placed before May 25, 2026, must ship on or before June 8, 2026, to retain current pricing. Any existing orders shipping after June 8, 2026, will be subject to the new pricing at the time of shipment. Pre-existing quotes issued prior to April 28, 2026, will be honored until their stated expiration date; however, no extensions will be permitted. Quotes issued on or after April 28, 2026, will be subject to the price increase. Kingspan Insulation reserves the right to limit order quantities in advance of this increase.

Thank you for your continued support of Kingspan Insulation products. Your Kingspan sales representative will contact you with the new pricing and to answer any questions that you may have.

Sincerely,

Jeremy Grunewald

Senior Director of Product Management
Kingspan Insulation North America
