

SUBJECT: Intec 2026 Pricing

Intec Customers:

Intec has adjusted pricing for our all-fiber FORCE® insulation blowing machines, compressors, generators, high powered VORTEC® vacuums, wall scarfing / scrubbing / damp spray tools, and accessories to these items. We apologize for the price adjustment, yet have incurred a number of cost increases since our most recent February 2025 price adjustment and unfortunately needed to pass on some of these increases. Note that we have not changed pricing for our FORCE SHIELD coveralls nor our VORTEC vacBAGS.

Attached you will find an updated price list effective July 1, 2026.

We appreciate your understanding and continued support,

---

Ray Lavalley  
President, Intec
