Dear Valued Partners,

We are writing to inform you of a price adjustment that will take effect **August 1, 2026**. We are always striving for efficiencies and improvements in our processes, but the continually rising costs of raw materials, shipping, and inflationary pressures have forced us to pass along some of these increases.

STI will increase the prices of all products by 10%, with some specific EZ-Path Retrofit products increasing by 15%.

Your new price sheets will be available on or about June 15, 2026. If you do not receive your price sheet by June 30th, please do not hesitate to get in touch with your STI representative or our Customer Service Team.

We appreciate your loyalty, support, and business.

Best Regards,
